“ It is so difficult losing family members, especially ones we hold so dear. I am so grateful of the many memories of her & Uncle Al visiting Grandma Pearl. I loved to learn about birds from Aunt Gen and playing cards with them and my folks was always so much fun. Aunt Gen was a hoot! Gone but not forgotten. I will treasure the memories forever. With love and sympathy! ~Lauri

“ I was so saddened to hear of Aunt Gen's passing. I have so many fond memories of her and Uncle Al coming up to IN to the farm. It was from Aunt Genie that I gained my love for bird watching. I remember walking around Grandmas with Aunt Genie, binoculars around her neck while she told me about the many birds we saw. I remember the many card games that went on at my folks with Aunt Genie accusing my dad of Cheating:). She was always so fiesty and full of life. Those are the memories I will always cherish.

“ I am sorry to hear about Aunt Gen's recent passing. Just like with Uncle Al, it has been since I was little that I remember seeing her. She was such a sweet lady and I will never forget her. Jennifer Murray

“ I so fondly remember Aunt Gen coming to Indiana with Uncle Al and her boys. We'd all go swimming at Atwood Lake & the boys would try to drown us. Aunt Gen always managed to save us though. She was always so funny and made us all laugh. I am so glad to have those memories of her.
