“ *Al and Gen were my mother-in-law Gerry's friends. They all lived at Bethany together, next room too. I used to visit Al and Gen every week when I'd visit my mother-in-law. What a sweet couple they were, such love for each other. Al told me wonderful stories about his adventures in the military, and when I asked him what job he had prior to retirement he told me about the depression and how he hopped the trains in search of work. He also loved to brag about Gen's nursing career. He was a delight to talk to and I'll miss him very much. My mother-in-law went to heaven in June so I hadn't seen Al and Jenn since summer. I had read that Gen passed away in the Bethany newsletter but I didn't know about Al until I looked up the funeral notices. I was so shocked to see that Al went to heaven first, I think it was his way of telling Gen it was ok to go...so she'd follow him. I just know they're holding hands and having cake and tea with my mother-in-law right now. We're so happy to have known such sweethearts as Al and Gen.*

“ *I'm sorry to hear about Uncle Al. I was just a little girl the last time I remember seeing him but never forgot him. I can remember when he would visit my great-grandma Pearl Funk's house. Our thoughts are with you all. Jennifer Murray (Linda Hines' daughter)*

“ Bob, Sorry to hear of your Dad's passing. My father died last year at age 92 and he also served in the Pacific. Some moments I miss my Dad so much that I still burst into tears, but I try to remember the values and education and humor he passed on to me. These help me continue in my daily work on earth. So, feel the pain & loss of your parents' passing, but rejoice in the good traits they showed you. Barbara Bleck CICA

“ Where to begin? Uncle Al was such a kind, gentle man and so intelligent. It was always such a treat to listen to his stories. I'm so glad Linda, Tom, Jim & I were able to visit with him & Aunt Gen after Jessica's graduation this past June. He will be sorely missed but is in a much better place. It's hard to lose someone we all loved and my heartfelt sympathy goes out to all of Uncle Al's family.

“ I remember fondly the times Uncle Al and Aunt Gen would travel to IN to visit Grandma Pearl. Aunt Gen and I would always go bird watching and I would play cards with Uncle Al. He had two nicknames for me, "Brown Eyes" and "Smokey". He will be sorely missed and fondly remembered. With much Sympathy and Love, Lauri Eash (daughter of Walton Funk, Gen's brother)
