“ Tony used to cut my hair when I lived in Chicago in 1994 and 1995. He was a very caring man. I remember a number of conversations with him; he would talk about how much he loved his family. He was a gem of a man. I have thought of him often over the years. I used to like his old Sinatra tapes that he played! I recall too, how proud he was of old Sicily.

“ Just yesterday I learned of Tony's passing. I have been going to his barbershop for over 30 years. Even though I moved out of St. Gertrude's years ago, Tony was my link to the old neighborhood. He will be missed; may he rest in peace.

“ My sympathies to Erika, Joe and Tony, Jr. and your children/grandchildren. Tony was a friendly man and loved his family, I could tell from all their pictures and handiwork in the shop! Dave, a customer since 2005

“ Mete family, I am so sorry for your loss. I had been a customer of Tony's since 2003. My monthly visits to see him were one of my favorite parts about living in Edgewater. Tony gave both my boys their first haircuts. Tony was a wonderful man. He was funny, intelligent and a great business man - his customer base was the most loyal of ANY business I have ever seen. I will miss him. My boys will miss him. God bless him and your family. - Jason

“ Just so you know, if you're wondering who I am, I'm one of Tony's customers who works for the Wrigley company who used to bring Tony chewing gum my company makes (which he said he gave most of it to his grandkids.) At any rate, Tony was an incredibly magnificent person. Even though I've only known him for about four years, he really carved out a special place in my heart throughout my routine biweekly visits to his shop. When I went to the shop today to get my hair cut, I saw the signs and broke down right then and there. I'm going to miss him horribly, as I know you will as well. Please try to find solace in the the fact that if there is anyplace better in the universe or hereafter, that's exactly where Tony is right now. That man had an absolute heart of gold and I'm sure he's being rewarded for that. My deepest and most heartfelt condolences, Chuck Kukla 1638 West Greenleaf Ave Chicago, IL 60626
