Even in your final moments and no matter how you were feeling, you were bubbly, affectionate, supportive, bad ass and my very sweet and very good friend. I will miss you forever. XOXO

Gene & Heather, my deepest sympathies to both of you. May the joyous memories you have of Avita outshine the sadness of this moment. I take pride in knowing I've known this lady for well over 20 years!! She will be missed & never forgotten.

Avita brought sunshine and cheer with her wherever she went. The earth is a little darker here without her.
