“ *Dear Barbara, You had a beautiful send-off at Church yesterday. You earned a better place and I hope you are at peace with your loved one. You were a dear soul giving and kind and a feisty, strong, intelligent woman. It was a privilege to know you. My blessings and love.*

“ *I worked with Barbara for a short time at an agency in Chicago. We meet a few times afterwards when she lived on Lake Shore Dr (and she still had her teddy bear collection). She was an excellent cook and worshipped her late husband. I lost track of her when she moved further north. Her obit was right on- she faced many adversities. I take comfort in knowing she is with John, happy and in good health.*

“ I knew Mrs. McCarthy from the dental office where I work. We became very good buddies and would spend half the time talking. She felt like family to me and I will miss her so much. I'm sad that I will not be able to go on a little day trip to Long Grove next summer. I told her that would be something I would like to do with her. I will always remember her smile and kindness. Love you always Mrs. McCarthy and you are now resting in a better place. We will meet again. Keep smilingJaime
