“ *Your dad was one of my favorite people ever, and he never failed to entertain us all. We still laugh remembering the... um, how shall we say?... “animated” discussions our fathers always enjoyed over dinners. We always enjoyed having your mom and dad around the house even as kids. Two truly great people I’m glad were part of our lives..*

“ *When is a trade magazine cooler than just a trade magazine? When it was designed by Claude Zajakowski. His keen eye elevated publications I worked on early in my career. I so appreciated his sense of humor, aesthetics and passion. Love and prayers for his family.*
