

## Darrell Quinn

April 15, 1968 - September 27, 2021

Darrell Quinn son of Donna Quinn and brother of Michael Quinn and Kevin Ostby passed away on Sept 27th 2021.

Darrell was a dedicated math teacher at Whitney Young High school as well as a handyman that could fix just about anything. Electrical, plumbing, remodeling, you name it Darrell could do it. He always had the handy skills going back to his childhood building things with legos and erector sets.

Darrell was an outdoors lover and enjoyed taking camping trips with his friends. Throughout his life he pursued many interests including brewing his own brew before micro breweries were trendy, Boy Scouts and cross country trips from Chicago to Phoenix to visit his mom for Christmas.

Darrell had a heart of gold, was loved by many and will remain in our hearts forever.

“ *Being his student for my sophomore and junior years at Whitney Young; I knew him pretty well. I know that this is late, but I found out about it right now. He was amazing to me, and his spirit will be with me no matter what.*

“ *Dear Mrs. Quinn, Mike, and Kevin,*

*I knew Darrell from Senn, and am privileged to be able to have called him my friend. I just want to share, that of everyone I knew at Senn, Darrell was the one person who I always saw sporting a smile or laugh. He was always the happiest one in the crowd. I am a richer person for having known him. I can't imagine the pain you are going through right now, but I ask that God bring you comfort. I will miss Darrell. Please accept my deepest condolences. Rest In Peace Darrell.*

“ *Dear Mrs. Quinn, Michael and Kevin,  
May our Almighty FATHER GOD comfort all of you during your devastating loss and painful time of grief.  
Darrell was always a burst of sunshine. He had a great smile and a genuinely kind heart. Darrell had a wonderful and quick-witted sense of humor. He was a natural comedian and just thinking of him always brings a smile to my face.  
Darrell will be truly missed.  
May he be resting in eternal heavenly peace with our loving FATHER GOD.  
Sincerely,

“ Donna, Mike and family. It pains me to not be able to be with you all today. DQ was a great friend and business associate growing up and I remember so many great times we had. We had so many adventures together with him and TAZ, hiking Starved Rock State Park, canoeing in Fox Lake with the dogs jumping out and in to the water capsizing us, working our construction projects and just hanging out together. My thoughts go out to you all and please remember the good times and how he loved teaching math.

*May he rest in peace.  
Love and miss him.*

*Sincerely, Bill Gallagher.*

“ Dear Mrs.Quinn, Mike, and Kevin  
I am so sorry to hear of Darrells passing, please accept my deepest condolences. Thinking back to our childhood Darrell and I shared a lot of milestones together, between school and church he made every bit of it fun! If it weren't for Darrell I don't think I would have made it through Confirmation class. Please know you will all be in my prayers. May your cherished memories of Darrell bring you comfort in these difficult times.
