“ *Dear Diane, I miss you so much, you were like a sister to me, we've known each other almost all of our life. We had so many wonderful times together, and our late night talks on the phone, our Wis. Dells trips, and our first day of kindergarten...wow, i have so many memories, i think about you all the time, you were the best wife, best mom and best friend anyone could ever have! I love you, my lifelong friend, love Renee*

“ I will always have fond memories of Diane and all of You. I always remember Diane and My sister Colette, walking me to first grade in tears on my first day and Diane made me laugh and comforted me. I have always held that moment in my memory and always will. She was a wonderful person and I was blessed to know her and all of you. God Bless You
