“ *My deepest sympathy to the entire Moore family. How blessed she was to have such a loving family. Although it's been a long time since I've lived in the neighborhood, I still think of your home as the "Moore" home and I tell my husband and children about your family and the loving St. Ita community. Mike and Mimi, I have fond memories of both of you and your kindness. May her memory be eternal in your hearts and in the hearts of her grandchildren.*

“ Dolores was such a wonderful person. Have the fondest memories of growing up on Lakewood and hanging at the Moore's. She made everyone feel so welcome and it was no surprise we all loved to be there too. My heart goes out to all the Moore family, she will be missed.
