

Donald Carroll

July 16, 1978 - April 24, 2019

Don Carroll was born in Chicago, IL on July 16, 1978. He completed his Bachelor's in Secondary Education at DePaul University and his Masters in English at Northeastern Illinois University. He was a high school educator at Mather High School for many years and an adjunct English Instructor at Triton College, Morton College, and the College of DuPage. Don was a loving and caring husband, brother, friend, and educator. He was a collector of Star Wars and Transformers figures, a fan of comics and fantastical works. He spoke German and visited Germany many times. He believed in treating others fairly and equally. He had unending love for his wife, Ashley, and their cat, Butters. He was silly and romantic. He was a hard worker, putting many hours into grading and teaching his courses. He loved his long hair, his wild beard, his heavy metal ways. He was sentimental and joyous. He is now one with the force and leaves behind his wife and partner of ten years, Ashley Miranda, and his siblings, Daniel and Stephanie Carroll.

“ *My name is Chris Hennessy. Don and I were in the same Golden Apple class and attended DePaul together. I am so sad to hear of his passing. He was one of the funniest people I knew. I will always look back fondly on my time with Don, especially when I think of his leather pants, New Year's Eve during Y2K , and his time being called Andy.” RIP my friend!*

“ *My name is Katie Hogan. I knew Don as we were both in Golden Apple together and became friends. Even though we lost touch over the years I'll never forget his humor, kindness, and genuine curiosity about the world. I am so sorry to hear of his passing. My condolences to his entire family.*

“ My name is John Kramer and I have know Don since high school. We went to Lane Tech together and graduated the same year. I hung out with him in high school as we had mutual friends and were also both 1996 Golden Apple Scholars. I have a lot of fond memories of him. He was always fun to hang out with and was very funny. I am so very sad to hear that he is one with the Force now. My prayers, condolences, thoughts and support go out to his wife and family on his loss. May God hold you in His comforting hands and be with you always.
