“ *Dear Rohrich family, My sincere condolences to your family for all those you have lost. I didn't know Donald but I believe I knew his sister Claire. She taught me in 7th grade at St Gilberts in Grayslake in 1959. She seemed young at that time and I was hoping she was still with us. She had such a big impact on my life and I was hoping I could contact her and I was saddened to learn she had passed in 1979. If there is somebody in the the family that wouldn't mind talking to me about her life, I would really appreciate it. My phone number is 847-223-4930. E-mail is rju63@sbcglobal.net Thank You very much Richard Unger*
