“ *Hi Ann and All, Our sympathies are with you and all of the family. It is so bizarre - just last weekend, I made those most famous butter cookies that Auntie Ellie made at Senn H.S. I sent many home with our Ann and she called the very next day and said they reminded her of your mom and mine. Please know that we have another Angel in heaven to watch over us. She was a most special and loved person in my life. God bless you all. Take care - Kathy*
