“ *If someone was totally unfamiliar with Saint Laurent's elegant work, this show provides an exceptional classroom of what put the "Saint" in Laurent. I am fortunate to have covered Saint Laurent's funeral as well as the two globally reported sales of his and Pierre Berg??'s splendid art and decorative arts collection. I also oohed and ahed over the Saint Laurent exhibition at San Francisco's de Young Museum in December of 2008, and his work never loses one iota of its vision or sparkle. It is breathtakingly fresh to see and experience, especially in this context.*
