“ Thinking of Ethan on his 10th birthday September 3, 2010. What a heartbreaking loss this is for you and your family-- and a loss to our community as well. Ethan certainly made an impact on many lives in simple and great ways. We'll never forget his quiet manners and love for his sister Penelope. Christopher said Ethan had "a special essence about him" this from a 13 yr old artist to a 9 yr old artist....like Ethan Christopher loves creating cartoons. For parents to be able to generously give to those in need, in face of such tragedy, is a testament of character.
