“ *I attribute Aunt Gen with introducing me to one of my favorite hobbies, art. At age 13 my parents allowed me to go to Chicago to visit her for a long weekend. All I was focused on was shopping and going to baseball games. Aunt Gen encouraged me to check out the Art Institute of Chicago and really opened my eyes to a larger. By the following summer, I was telling her I wanted to go again. She impacted my life in so many ways, but that in particular is something I think of every week, when I see an exhibit. It has influenced my life immeasurably.*

“ *Gen was my Godmother. A dear friend to my Mother, Helen Bruder. My wish is that I could be there but my health does not permit me to do so. Thanks, Gen, for your presence in our life. God Bless you. Love Roberta.*
