

Ifedilichukwu "Ify" Nebo

October 16, 1981 - December 10, 2022

Ifedilichukwu Nebo, affectionately known as Ify, passed away on December 10, 2022, from complications of a bone marrow transplant.

Ify, born October 16, 1981, grew up in Enugu, Nigeria, where he studied Pharmacology and Physiology at the University of Nigeria Nsukka. After graduating with a bachelor's degree, he worked as a banker before traveling to the United States and becoming a Project Manager in the oil industry.

At the age of 30, he married Kirby Cole, and went on to have a beautiful daughter, Amara.

Ify was the most charming, positive, determined, strong-willed person that one could ever meet. He never had a bad day, and would always greet you with a big smile, or a joke of some sort if he was very familiar with you. He never let his health issues, or any other obstacles, direct his life, or deter any of his plans. He held a very lucrative career that he loved, and tried his hand in several businesses and investments. One might say that making money was his number one hobby.

Ify passed away within days of his mother, Angela Onaga Nebo and he is survived by his wife of 11 years, Kirby Nebo, 8 year old daughter, Amara

“ I can't believe that you are gone. The time we spent together, our agreement, disagreement, and goals we achieved together will forever be in my mind. I love you for who you are and lives you touched and changed. Continue to rest until we meet again. ❤️

Ify was like a brother from another mum. This is a great loss for me but I take solace in the fact that this is a temporary separation. May your soul rest in peace brother until we meet again in his kingdom. I pray that the Lord God grant the family the fortitude to bear this irreparable loss .Adieu Ify (Slim)!!!
