“ *I just learned a few minutes ago that Mel passed away. Mel and I worked at Pronto for many years. She was the glue that kept us together as one big family. I could always count on Mel for a laugh and to keep everyone in line. My sincerest condolences to her children and family. Angie, if you read this, please reach out to me, as I haven't seen you since 2002. Rest in peace. Gone but never forgotten...*

“ It is with a loving and painful heart that I have to sign this. Mel was a big part of my life at Pronto. It's hard to walk past her Desk now. I can hear her in my head right now saying Don't do what Imelda does lol do what Shonda suppose to do. I miss her so and will never delete the texts between us. She spoke highly of her children and my family will keep you all in our prayers Rest Easy Mel. Darius and I love you always
