“ *My deepest sympathy goes out to the Elwood family and all of those fortunate enough to know Jackie. I had the honor of growing up with Jackie while attending St. Gertrude's school. Although our paths took different directions and we never really talked after grammar school I still consider her a great friend. I admire her so much for the career path she chose and how she was always doing something with her family. Facebook is no longer the same without her. God Bless you Jacqueline.*
