“ *I wouldn't be surprised to see LS start putting out papers to the effect that the landscape doesn't work and that this is the greatest crisis in history.*

“ *sThe excellence things very good, still, as your models operate smaller just take that one dimensions upwards.If you're 5f 4inches and then duration demands adjusting or perhaps simply don quite high shoes. Other than that liked the actual dress*

“ We have your family in our hearts and prayers. Nothing was more beautiful than the St Gertrude's Mass for Jake and his Prayer card that said: A symbol of Hope A butterfly lights beside us like a sunbeam And for a brief moment its glory and beauty belong to our world But then it flies again And though we wish it could have stayed... We feel blessed to have seen it. Fly sweet Jake, fly! Andrea Raila & Mike Rohrbeck Family

“ My condolences to the Jake Wons Family. May the God of Peace bring comfort to you. And take pleasure in God's promise at Isaiah 33:24 where it says that, "And no resident will say: "I am sick." The people that are dwelling in [the land] will be those pardoned for their error." Just imagine death one day being a thing of the past.

“ Dear Jake Wons Family, We were cheering and praying for our fellow student Jake Wons every day. We are sad that he is not with us anymore, but so happy that he is at home in Heaven. Our deepest sympathy and prayers to all who love him he left behind. He is a beautiful butterfly now.
