“ *I miss not picking you up at the truck stop and either taking you to moms or just spending your layover with me and the kids watching movies and chillin. The pink rose candle is for the battle I fight to stay alive everyday. Please continue to watch over me with everyone else up there in Heaven. I will miss you big brother, until we meet again, love your sister Suzy*

“ John was like a big brother to me growing up in Rogers Park. Always seemed to be there at the right time. A part of a beautiful family that I will never forget. God rest your soul John. You are at peace with the Lord. You will be missed.
