“ Dearest MC, Our sincere condolences. Jay was an amazing friend to many. Resourceful, kind, super smart , generous - an excellent person. Jay did more for mankind than most will ever know. Jay's leadership qualities always stood out in the 37 years of knowing him. Not to forget his dry sense of humor. His BBQ is legendary amongst many , including restaurateurs and street fare fans. RIP dear Jay- You are going to be missed dearly! Edie
