“ *Dear Mrs Nichols and daughters,*

I was unable to speak directly to you today due to the crowd but just wanted you three to know of my appreciation for and fondness of Jonathan. We served together for a number of years representing our community of Norman and he was always a strong, sincere and honest partner in that work.

I am so sorry for your loss and just wanted you three to know of my profound respect and admiration of your husband and father.

The turnout today should tell you many others feel as I do.

Sincerely,

Cal Hobson
