

Julie Wons

October 7, 1973 - November 4, 2022

Julie Wons, 49, Beloved wife of Mike and loving mother of Liam and the late Jake, Devoted daughter of Leonard and Dawn (Kmet) Lauricella, cherished sister of Sue and the late John Lauricella.

As community played a big part in Julie's life, she recently started a position as a substitute teacher and found joy and purpose in assisting children with special needs at Park School in Evanston, IL. Julie had a passion for helping others and a unique gift of connecting with total strangers.

Julie was happiest being with her family whom she loved and cared for fiercely.

She will be immensely missed by everyone who had the honor of knowing her.

We invite all those who were touched by Julie, no matter how big or small, to bring a note or a written memory to the service. These precious keepsakes will be compiled into a book for Liam to cherish forever.

Donations can be made in Julie's name to Park School, a therapeutic school for students with intellectual and physical disabilities, where Julie was a valued staff member. She was a natural educator, which helped her to connect with students of varying ages and abilities. She is greatly missed by

the students and faculty alike. Please send donations by check to:

“ *I don't know if this site is still active, but my son Sean is friends with Liam, and he must have googled Julie's name and found this site and texted it to me. He wanted to write something, and I said that we would write that we were both thinking of Julie today and missing her...*

Julie was my co worker and friend when we worked together at Savin.. so many years ago. Julie was the type of person that just lit up a room. I can still hear her voice and her laugh. Always laughing. Her positivity was infectious and her love for her family was like no other. She was so proud to be a wife and a mom. My heart goes out to her parents, sister, Mike and Liam and all those lucky to have been part of Julies life. Rest in heaven my friend- Amy

“ *I didn't know Julie very well but got to spend time with her this year at Park School. As a teacher there, Julie subbed in my classroom many times this fall. It was always such a delight to see that I was going to get to spend some time with Julie. She picked up on everything so fast and always had great questions and ideas. She had such positive a energy. We will miss her very much at Park.*

“ I did not know Julie for very long and we were not very close, but I had many wonderful interactions with her. The one thing that was clear was her dedication and love for her son, Liam. She went to great lengths to make sure he had everything he needed. My son who goes to school with Liam saw her on the beach one day with a friend. He went over to say hello and they chatted. Julie sent me the nicest text about him and how impressed she was that he could do that. She was incredibly thoughtful and when my dad was sick before he passed away she helped me lean on my faith. She was one of a kind and had such a beautiful heart. She left a lasting impression on us all.
