“ Karey was a very kind woman, who was also somewhat guarded and a little bit complicated. I got to know her best in her final years, from about 2018-2024. The last time I saw her was during her final hospitalization; she could no longer speak. We (me, my Mom and my Aunt) prayed with/for her, told her we loved her, and held her hand. We wanted her to know that she was loved and wouldn't be forgotten. Rest in Peace, Karey. You are free of all your frailties and in the arms of the angels now. - Jackie (Degnan) Eberle
