“ *Mr. Larrison is one of the kindest people I have ever met. He was warm and inviting whenever I had the pleasure of visiting his home. In a world as individualized as the one we live in, Mr. Larrison brought people together in a purely unselfish way. He will be missed.*

“ *Dear Sue, You and Lane have made us feel very welcome in our home, and we feel so sad over his death. Lane was the best kind of neighbor, respectful of our privacy but always willing to chat over the fence. We will miss Lane assessing the growth -- or lack thereof -- of our lawn, and all the little moments in around the neighborhood that define a good place to live. Our thoughts and prayers are with you and your family.*
