“ *My deepest condolences to the family and friends of Mr. Pride. I hope you find comfort in our Heavenly Fathers promise for the future found in Isaiah 25:8. There he promises to "swallow up death forever" and to "wipe away the tears from ALL faces." Yes, soon God will eliminate death forever and restore humans to a beautiful paradise earth, where we can all live forever! (Psalms 37:29) I hope these wonderful thoughts can bring you comfort during this extremely difficult time.*

“ *He was a great encouraging person to me and my family and I always love seeing him smile when I saw him face to face and I will miss him because he was a great person to talk to when I was down and looking for a happy moment.*

“ *My memory of my uncle Larry is how he was a man that walked his own path, but he challenged you to use your mind and I remember being little at grandma Jessie house and I used the word I can't and he told me as long as I had life the word can't don't exist, with that being said Uncle Larry I used that with raising my kids and I have been tough and firm with them and I love him for that and with being not only my uncle a year ago I introduced him to my fiance and he approved, I will truly admire you and I miss you uncle Larry but it has been a privilege to have you in my life, may you rest in heaven my king. Forever your niece Monique*
