“ I just saw the notice! I am so sorry! I was chatting with my younger son to hear about his 40th birthday and he suddenly brought up the time zi took him to visit Linda near Big Cedar Lake! He remembered so many details! So zi wanted to call Linda and tell her. And that’s when I saw her death notice...and it was on June 9th!!! And today is June 9th. What a strange but loving coincidence. My deepest condolences to the whole family. With all my love, June Kozak Kane
