“ Margaret was a shining light in high school. Her infectious laugh and cheerfulness were uplifting. We had such great times going to the Pirates’ basketball games as well at school dances and lunch in the cafeteria. She is a great loss and her passing has saddened me much but has also brought back so many wonderful memories of her. Rest in peace Margaret.

“ I remember Margaret from Cathedral HS, we were friends in and outside of school. She was always fun to be with. I still think of her when I put in my earrings as she was the one who pierced them. Sadly we lost touch in the years after highschool. Margaret was so much fun. My prayers and sympathy to her family.

I am saddened to learn of Margaret's transition. We were friends in high school. Our class organized a reunion and couldn't locate Margaret. Even though she was missed at our 54th Holy Name Cathedral High School Reunion, we now know she's safe in the arms of our Heavenly Father. May her family and friends find comfort in their memories. She was a very nice young lady. Tanya Fook-Marshall (Brown)
