“ *July 16, 2004 Dear Artie and Jeanine, I am so delighted with the meaningful time we all spent together grieving at MaryAnn's bedside last evening. She would have been so pleased with all the love expressed, and having all the Wilmes at her bedside. I look forward to seeing you all at her wake on Sunday. I have some fond memories of our growing up together at 2540 W. Gunnison Street. Her mother's friend Molly Walsh called me today from California, and we talked about MaryAnn and her daughter Sheila's friendship. I can envision MaryAnn in the arms of her mother who died October 19, 2003...who we all miss dearly. Love and Prayers, Cousins Diane, Michael and Mike (who's off on Semester at Sea)*
