

Michael Anthony Piludu

September 12, 1977 - January 17, 2023

Michael Anthony Piludu, of Chicago, died unexpectedly on January 17th, 2023. He was only 45 years old. The family is deeply saddened and shocked by His sudden death. Michael was born on September 12th, 1977. Michael was a force of nature, determined to provide for his family and give them the life he felt they deserved. His family meant more to him than anything else in the world, something he often mentioned. He was unendingly proud of Benjamin, and Anthony and always tried his best to support them. Anyone who knew Michael knew that he was the most loving father, son, brother, grandson and family member we could ask for. He is love and will never be forgotten.

“ Therese from Schnucks in Rockford. I remember when Covid hit I opened the pharmacy door singing (kinda) and dancing it's the end of the world as we know it... and I feel fine.. (REM) lol. He laughed. We went to lunch and talked about stuff. He ordered a swedish meatball sandwich and fries. I see him grab a packet of sugar and pour it on his fries. He thought it was salt.. lol. Many talks about his boys, Benjamin and Anthony. I know he's watching over them and will continue to guide them through this so crazy world. I love you Mike. Til we meet again

“ We at the Rockford VA Pharmacy looked forward to our deliveries from Mike. What a great sense of humor and positive outlook! So much fun joking with him daily. Truly a proud Dad always talking about his boys and the places they went!! When he wore a bandanna as a face covering he earned the nickname "bandit". He was "always" bringing us a pizza (in the bottom tote) LOL. This past Christmas I knitted him a Gru scarf. We are deeply saddened. Our prayers and thoughts go out to family and friends. Mike you will be missed!

“ *Mike was one of the most positive people I've ever met. Every Friday he'd walk in to the pharmacy to deliver our order & he'd joyfully say "Happy Friday!!" Fridays won't be the same now!! He would also always talk about his boys & how proud of them he was. They meant the world to him!! I hope they both know how much their dad loved them!!*

Mike is a one in a million type of guy! I admired him. Mike's spirit was contagious! He will be missed! I didn't know his family personally but I know his spirit will live on in his boys. To them I say, take heart - he is with you. My heart is broken for you all.
