“ Michael was my neighbor across the alley..he always said hi and we always took a moment to talk..when I realized I hadn't seen him in a while, I was denying the inevitable possibility that he had passed. I finally looked it up today. My condolences to his family and friends..

*Mike was always so funny, and such a nice kid. I remember him fondly. I have not seen the Signa family in years but remember them all well when they lived on Rosemont. Sending heartfelt condolences to Mrs. Signa and the entire family. Prayers for all of you at this difficult time....

*I have so many wonderful memories as a sister-in-law of Micheal. With me being physically disabled, he teased the shit out of me but it was all out of love! His sense of humor was out of this world. If I ever needed to laugh, even at the most difficult times, all I had to do was look at him or listen to him. Micheal would not want any of us to grieve about his loss but rather to think about the good times! He is in a much better place now and is looking down at us laughing! He will always hold a special place in my heart. Love you, and I can't wait to laugh with you again someday!*

*My dear Michael, I got to know you well when we were returning from an Ozarks camping trip in the early spring of 1976...getting the VW camper bus stuck in a blizzard and having to walk a couple of miles north on Cicero Ave to Mrs. O'Donnell's house...you'll always be remembered for your cutting edge wit, smile & laugh.*

*My dear friend Mike! The years have past, but I hope our friendship never did! I remember those summers in Channel Lake, the Tuesday on the boat, and the stories you would tell about life in the big city! As the years have past, the memories will last and last! Until we meet again, rest well my Friend, and may perpetual light shine upon you!*

*Mike you will be missed! You were much more than a landlord to Danielle and me, as you became a treasured friend! You were always good for a laugh and/or story, and you played an outsized role in the life of Danielle and me in our 20s! Know that you are dearly loved great friend!*
