“ *My condolences go out to the Messbarger Family. Dr. Messbarger was my freshman English professor at Loyola in 1980-81. He was a tough teacher and I had a lot to learn. With his encouragement I improved during the year. I am grateful for what I learned in his classroom.*

“ Pat, though our connection was brief, it was truly memorable and we were so looking forward to seeing you and Paul again at Makaha Valley Towers. We regret that this is not to be. Through Gerry and Sally, we have been following Paul's illness, and you have all been in our thoughts and prayers for some time. He will be missed. With deepest sympathy, Bob and Roberta

“ With sincere sympathy to the family of Paul. Paul and my wife, Jacquie (White) Kelly were in the same class at Benedictine College/Mt. St. Schholastica in Atchison, KS. The class of 1956 all met at our house after their 40th reunion dinner for fellowship. Paul and I played in the same softball league in the early 1950's. It was always a good time. I was good friends with his brother Ed. Larry F. Kelly
