“ *My dearest friend Ramon, I know that I never really showed how much your friendship meant to me. I still remember those days at church when we would talk like it was yesterday. I still can't believe you're gone. Taken away from me at such a young age. I know that you will always be with us. Taking care of us and watching our every step. May you rest in peace. But I know you are now in a better place with all those that we lost. Just hope that you welcome me with open arms when my time comes. I LOVE YOU!*
