“ Dear Sheila, We were very sorry to hear of Bobs passing. You are in our prayers as is Bob. He is in a good place and out of pain now, but I know how you will feel the pain in your heart, as I have not gotten over Tiffani. My God ease your heart and let you feel the peace that only he can bring. Love, Stefani and family

“ Dear Sheila, So many years went by and I hadn't seen my cousin Bob. Then one day out of the blue, he called me and our friendship took off like it had never not been. You both visited me in my time of need and you and I became very good friends. I have the fondest of memories of Bob and I as children. He will live on in my heart forever. I will miss his e-mails but mostly, hearing his voice say "HI CUZ". I am so grateful that I at least got to speak to him a few days prior to his death. I know he knows I love him, and you Sheila. My offer stands, if you need a place to run, we are here for you. And to Bob because I know he is reading this over my shoulder, please take care of my Tiffani in heaven cuz. I love you. Thank you for being you. Joyce

“*Sheila, we continue to think of Bob, sitting on the bench downstairs at Meeting, waiting for you so he could return home and tend his garden. We had many nice chats. We're glad you were able to share our 50th with us and so happy you got to go to Disney World! Bless you, Friend-we love you.*
