“ *Ross and me worked together at the Dominicks at Ridge and Pratt. We had so much fun laughing, joking with the customers and secretly making comments After work we always get together with the others workers and maybe go down to Albein beach or some fun place and stay up late and have a few beers. When Ross would see me and greet me with a loudMidnight !!!!!!!!!!!!!!! and still did that to this day the last time I saw him about 3 months ago. We were friends and good buddies. Will miss him bad.
