“ Our dear friend and long time member of Clipped Wings-United Airlines Stewardess Alumnae and Flight Attendants, Inc, Lethea (Leigh)Ivers, has passed from our lives. We all remember her fondly and will miss her quick wit and sense of humor. She was bright, intelligent and articulate and served as National President as well as Chapter President and many other offices over the many years she was a member of our organization. She loved her family and grandchildren. She always had pictures and stories about Elizabeth, Alexandra and Kristoffer - she must have been the "most fun" grandmother! I have received many cards and messages since her death. Our National President reelected on Leigh's humor and has missed her at Conventions in recent years and mentioned that Leigh was certainly one of the Clipped Wings members who will be remembered by all who had the opportunity to know her. She will be missed but not forgotten! She was my dear, good friend. Mary Lou Erfurth Chicago Chapter of Clipped Wings

“ Mrs Roy, Beverly, Rob, I was deeply saddened when I heard the news regarding Sabrina. She had a tremendous impact on many lives and I feel blessed to have known her. It really seems like yesterday that Rob and I were causing heartache and worry for her (and you and Beverly) as teenagers. She will truly be missed, but the impact she made on so many lives will live forever. We are thinking about you and will keep you in our prayers. Love, Pat and Jennifer Kellen
