“ There are no words that I can say that will ease the pain but finding comfort in knowing that you're no longer suffering and that you're with your Mom in her arms makes this a little easier. I know that you knew we'd take care of John, Gracie, Maddie, Paige, Winnie and your Dad but no one can ever take your place and do what you did! You were an AMAZING wife, mother, sister, daughter, aunt and friend to so many people, there is an empty space in their hearts!!! I know that we'll meet again but until then, I will always carry you in my heart and my promise to you is that you'll never have to worry about John and the girls! You will always be my first daughter-in-law who taught me so much about being a mother-in-law. May you find eternal rest Sara....with all of my love, Sally
