“ *Sheila and I have way too many memories to share right now but the best one was that we had the Best hootenanny in Cursillo History
I know she is laughing, dancing and singing with our Lord Love you*

“ *I have some of my best Cursillo memories with Sheila. From my first Cursillo as a candidate, to table leading with her, to the many, many funny skits that made so many people laugh! Sheila was a true reflection of Grace. She had an infectious laugh, and was a truly amazing lady. I know she is now making God laugh! Heaven has another angel! I will miss you Sheila, may you rest in Gods loving embrace. De Colores!*

“ I taught for Sheila at St. Callistus School from 79-81 and really loved working for her. She was hardworking, kind, and had a good sense of humor. I always enjoyed our conversations after a long day. Sheila reached out to me recently by phone. We laughed that she still had my number, and I still had my landline. I planned to visit her and recently called and left her a message. When she didn't get back to me, I tried again and found out she had passed away. While I am really sad we did not get that visit, I am very happy that I did not miss her service. I will be able to visit one more time and honor her for the wonderful person that she was. My condolences go out to all of Sheila's family and friends.
