“ *Having just returned from living in New Zealand for 7 years, I was saddened to read of Ginger's passing. We new each other from the time of your father's and her wedding. I remember both Tony and Joe as children. My husband has heard me mention the family many times and I would like to hear from either Joe or Tony. 561-729-0021 or mseymour923@me.com. Looking forward to hearing from you.Mrs. Robert S. Seymour (Marian)*

“ Joe-It's been a long-long-long time.I just heard about your mom from Jim Nugent, which immediately sent several memories flooding into my mind. Like those putting tournaments at your home, with your mom always making sure we had enough, more than enough, to eat.Also I will never forget the day you traveled all the way from college to make it to my dad's wake.My thoughts and prayers are with you.-Joe Jordan

“ Mrs. Hutter was one of the nicest women I have ever known. She was a great mother and model for the community. Her kindness and gentle manner will be missed by all. She will always be remembered in our prayers.
