“ *My thoughts and prayers are with all of you on the passing of your son and brother. We had a similar loss in our family on the same day so I couldn't share my condolences in person. For quite a few years I lived next door (in my parents building) to that wonderful man, Joe Carrington who took each of us under his wing in his own special way...which is how I met Lee, Will and the Black family. Will and I used to tease each other during the summer, comparing our tans as we soaked up the sun in our backyards. It was also wonderful to watch him filling his flower boxes with plants in the spring (Joe would have been proud). And where Will was...there was little Nipper, his buddy! He will be missed but always in our hearts.*
